

Advertising Mail Rate card

Royal Mail Advertising Mail®
(including Sustainable®)

March 2019

Helping your business thrive and prosper

In a digital world, consumers place a high value on mail. We believe in the power of 1 to 1 communications to build customer relationships. Technology has transformed communications, but the core strengths of mail have endured and in some cases grown even stronger. Mail helps you connect with your customers and attract new customers in a way that few other channels can, especially when combined with digital.

Royal Mail is the UK's designated Universal Postal Service Provider, supporting customers, businesses and communities across the country. We are the only company that has the capability to deliver a 'one-price-goes-anywhere', six-days-a-week service on a range of letters and parcels to more than 29 million addresses across the UK.

Online Price Calculator

Use our online price calculator to find the best options for your mailing. There's also a downloadable excel version.

royalmailtechnical.com/calculator

For prices that are changing in January 2019 please visit: royalmail.com/prices2019. For all other prices visit royalmail.com/current-postage-prices

From 2 January 2019 prices in this rate card can be found at royalmail.com/advertising-mail

Although correct at the time this price guide was produced (November 2018), postal prices, fees and other conditions are subject to revision from time to time and services may need to be added or withdrawn.

Up-to-date information may be obtained by visiting royalmail.com

*Volume Related Discounts for Direct items are based on total daily volumes over multiple sales order lines providing all items are posted on the same day; posted from the same posting location (site); posted via the same product and format, and only apply to Direct items (Residue items are not counted towards the calculation).

Please note when you are making a Low Sort posting and have the option on OBA to enter the volume as either Directs or Residues please select the Direct option. While there is only one sorting option available, to ensure that the correct discounts are applied please enter the items as 'directs'.

Mailings of less than 4,000 Letters or 1,000 Large Letters may be charged at a higher rate.

Low Sort

Table 4 – Trayed Mail Savings

	Saving per item
Low Sort Letters	0.30p
Low Sort Large Letters (up to 10mm thick)	0.90p

Discounts apply after all other discounts (VRDs, sortation etc) are applied but before mailing standard levy and VAT.

Advertising Mail

Calculating the price of your mailing

Step 1: Find the full price for the items you are mailing from Table 1. If the item is Large Letter format and weighs more than 250g, then an incremental price should be added to the full price based on the exact weight of the item. The incremental price is calculated as the incremental weight in grams above 250g multiplied by the gram price increment. The result is rounded to the nearest 1/10th of a penny.

Step 2: Identify the appropriate sortation and machine-readable discount from Table 2.

Step 3: Add to the sortation and machine-readable discount the applicable Volume Related Discount (VRD) from Table 3.

Step 4: Apply the aggregate discount percentage to the full price to calculate the item price.

Step 5: Multiply the item price by the number of items to calculate the total transaction price excluding VAT and Mailing Standards Levy.

Worked example

A Low Sort Economy posting of 102,000 Letters Mailmark weighing 80g each.

Step 1: The full price for a Low Sort Economy option 80g Letter = 26.2p from Table 1.

Step 2: Sortation and machine-readable discount for Low Sort Letter Mailmark = 22.98% from Table 2.

Step 3: VRD from Table 3 = 4.5%, added to the sortation and machine-readable discount of 22.98% gives total aggregate discount of 27.48%.

Step 4: Price per item = $26.2p \times (100\% - 27.48\%) = 19.0002p$.

Step 5: Total price of mailing = $(19.0002p \times 102,000) / 100 = \text{£}19,380.24$ (excluding VAT and Mailing Standards Levy).

Trayed Mail Savings:

Low Sort Letter mailings presented in trays will save 0.3p per item from Table 4 = $(0.3p \times 102,000) / 100 = \text{£}306.0$ (excluding VAT and Mailing Standards Levy).

Total tray price of mailing = $\text{£}19,380.24 - \text{£}306.0 = \text{£}19,074.24$ (excluding VAT and Mailing Standards Levy).

Aggregating volumes on Direct selections to achieve and maximise Volume Related Discounts:

In order to reach the VRD threshold on any given posting day, and to maximise the level of VRD obtainable, you can aggregate volumes on Direct selections in 2 ways:

1. You can combine a number of the same product / service level mailings onto one confirmed sales order. You will need to show in the comments field all the job reference numbers or part jobs included on that confirmed sales order. If you do this and then have multiple entries on a single confirmed sales order you must link the individual lines with the appropriate Customer Reference Number (CRN) to maximise your Volume Related Discount.
2. If you are unable to show all mailings for one day on a single confirmed sales order (usually because mailings are at different times) you must put the same Customer Reference Number (CRN) on each confirmed sales order and against each multiple entry. It is not possible to aggregate different sales orders posted on the same day for any unsorted products (Business Mail, Advertising Mail and Business Mail Advance).

Any applicable VRDs are calculated at the time you confirm your sales order and will be reflected on the invoice for that date of posting.

For details of Large Letters over 250g see the Advertising Mail rate card.

Prices in this table exclude VAT, which is charged at the standard rate.

Prices in this table exclude the Mailing Standards Levy of 0.2% which is not subject to VAT.

Further details of the Mailing Standards Levy can be found in the specific terms relating to Advertising Mail.

*The price for Residue is based on the number of items per mailing, not per day.

Mailings of less than 1,000 Large Letters or 4,000 Letters may be refused or charged at a higher rate.

Tray savings: For trayed mailings you can save 0.30p for Letters and 0.90p for Large Letters (ex VAT) per item from the prices in this table.

Advertising Mail

Calculating the price of your mailing

Step 1: Find the full price for the items you are mailing from Table 1. If the item weighs more than 250g (above 1000g for Parcels), then an incremental price should be added to the full price based on the exact weight of the item. The incremental price is calculated as the incremental weight in grams above 250g (above 1000g for Parcels) multiplied by the gram price increment. The result is rounded to the nearest 1/10th of a penny.

Step 2: Identify the appropriate sortation discount from Table 2.

Step 3: Add to the sortation discount the applicable Volume Related Discount for Direct (from Table 3) and Residue items (from Table 4).

Step 4: Apply the aggregate discount to the full price to calculate the item price for Direct and Residue items.

Step 5: Multiply the Direct and Residue prices by the number of items in each category.

Step 6: Add the Direct and Residue values together to calculate the total transaction price excluding VAT and Mailing Standards Levy.

Worked example

A High Sort 2nd Class option posting of 102,000 Large Letters weighing 300g each. 90,000 of these are Directs and 12,000 are Residues.

Step 1: The full price from Table 1 = 52.1p + (300 – 250) x 0.1285p = 58.525p rounded to the nearest 1/10th of a penny = 58.5p.

Step 2: Direct discount = 12.88%, Residue discount = 2.91% from Table 2.

Step 3: Direct VRD from Table 3 = 5.3%, added to the Direct discount of 12.88% gives total discount for Direct items of 18.18%. Residue VRD from Table 4 = 1.5%, added to the Residue discount of 2.91% gives a total discount for Residue items of 4.41%.

Step 4: Price of Directs = 58.5p x (100% - 18.18%) = 47.8647p.
Price of Residues = 58.5p x (100% - 4.41%) = 55.9202p.

Step 5: Price of Directs in mailing = (47.8647p x 90,000)/100 = £43,078.23.
Price of Residues in mailing = (55.9202p x 12,000)/100 = £6,710.42.

Step 6: Total for this mailing = £43,078.23 + £6,710.42 = £49,788.65 (excluding VAT and Mailing Standards Levy).

Trayed Mail Savings:

High Sort Large Letter mailings presented in trays will save 0.90p per item from Table 5 = (0.90p x 102,000)/100 = £918.00 (excluding VAT and Mailing Standards Levy).

Total tray price of mailing = £49,788.65 - £918.00 = £48,870.65 (excluding VAT and Mailing Standards Levy).

Sustainable[®] Advertising Mail

Sustainable[®] Advertising Mail prices are determined on the appropriate Advertising Mail with High Sort options or Low Sort options price plus the Sustainable[®] Advertising Mail percentage discount as shown below:

The prices determined by this rate card are indicative. Prices after discount have been rounded and may not perfectly match the invoiced details.

Table 1 – Entry Level pricing structure

	Large Letter	101-250g	3.50%	2.50%	3.70%	2.35%
	Large Letter	251-750g	3.50%	2.50%	3.80%	2.30%
Economy Product Code			EBL	MYM	SPK	SPK
Economy	Letter	0-100g	3.50%	3.50%	3.42%	3.53%
	Large Letter	0-100g	4.00%	4.50%	4.21%	3.81%
	Large Letter	101-250g	3.50%	2.50%	3.80%	2.35%
	Large Letter	251-750g	3.50%	2.50%	3.80%	2.30%

Prices in this table exclude VAT, which is charged at the standard rate.
Prices in this table exclude the Mailing Standards Levy of 0.2% which is not subject to VAT.
Further details of the Mailing Standards Levy can be found in the specific terms relating to Advertising Mail.

Please note that Sustainable discounts should be applied to the relevant Advertising Mail price before the tray incentive is included.

Table 3 – Trayed Mail Savings

	Saving per item
Low Sort/High Sort Letters	0.30p
Low Sort/High Sort Large Letters (up to 10mm thick)	0.90p

Discounts apply after all other discounts (VRDs, sortation etc) are applied but before advertising levy and VAT

Sustainable[®] Advertising Mail

Calculating the price of your Sustainable[®] Advertising Mailing

Step 1: Calculate the Advertising Mail with High Sort option or Advertising Mail with Low Sort option price for the product you are posting.

Step 2: If you meet the Entry Level specification for Sustainable[®] Advertising Mail, then reduce the Advertising Mail by the amount shown in Table 1.

OR

If instead you meet the Intermediate Level specification for Sustainable[®] Advertising Mail, then reduce the Advertising Mail price by the amount shown in Table 2.

Worked example

A Low Sort Economy posting of 102,000 Letters Mailmark weighing 80g each which meets the Intermediate Level specification for Sustainable Advertising Mail.

Step 1: Advertising Mail Low Sort Economy Letters Mailmark per item = 19.0002p
(see worked example for Advertising Mail Low Sort).

Step 2: Intermediate Level specification discount for Letter Mailmark = 3.50% from Table 2.

Step 3: Price per item = 19.0002p x (100% - 3.50%) = 16.1540p.

Step 4: Total price of mailing = (16.1540 x 102,000)/100 = £16,477.05
(excluding VAT and Mailing Standards Levy).

Trayed Mail Savings:

Low Sort Letter mailings presented in trays will save 0.3p per item from Table 3 = (0.3p x 102,000)/100 = £306.0 (excluding VAT and Mailing Standards Levy).

Total tray price of mailing = £16,477.05 - £306.0 = £16,171.05
(excluding VAT and Mailing Standards Levy).

Adjustment Charges

Mailmark Adjustment Charges

Fault	Applies to	Flat Fee	Per Item Fee	Notes
Missorts	Mailmark Letters	n/a	13.95p
