

# Managed HS Code Classification Rate Card

Effective 7<sup>th</sup> January 2020

07/01/2020

V2.0

## Managed Harmonised System (HS) Code Classification

1. Prices (excluding VAT) for the Automatic Matching product are shown in Table A below:

**Table A: Prices for Automatic Matching product (excluding VAT)**

RM Offer	Number of SKUs in catalogue as submitted			
	5,000 or Less	5,001 to 20,000	20,001 to 100,000	More than 100,000
HS Code Classification*	17p per unit	13p per unit	11p per unit	8p per unit

**Note:** Maximum batch size of 100,000; catalogues over this volume need to be split into batches of 100,000 – Please refer to User Guide for guidance around individual files sizes.

- Automatic Matching will be carried out/attempted for all items in your catalogue without acceptance of a quotation (as per prices set out in Table A), shortly after we receive your catalogue and confirmation that you have signed up for the product. Charges for this product will accrue against all attempted matches and will appear on your invoice as *INTL Catalogue Classification Base*.
- Prices for the Expert Matching product** (matching conducted by a trained data analyst for items which cannot be classified through Artificial Intelligence) **will be £3 per unit (excluding VAT)**.
- A quotation for Expert Matching, as required, will be provided to you in advance of carrying out any expert classification. No Expert Matching will take place until you have provided written approval of such quotation. Charges for this product will appear on your invoice as *INTL Catalogue Classification Expert*.
