International tracking and signature services

We have a range of international tracking and signature services available from your franking machine depending on the destination country. For details please go to royalmail.com/international

Customs Requirements

Due to more stringent customs regulations across the world, all items containing goods or gifts sent outside the EU must include a fully completed CN22 or CN23 Customs Declaration. If using International Standard or International Economy untracked services an S10 barcode must also be applied. These adhesive labels are available to order from royalmail.com/mailsupplies

At the time of going to print we have provided information about mail to the EU based on the Government’s current VAT and customs rules. These rules may be subject to change. Please keep up to date at royalmail.com/prices2020
