# International Business Parcels services

This Rate Card covers our three International Parcel services, which are:

- Tracked
- Signed
- Standard

## What is International Business Tracked?

International Business Tracked is a fully tracked service from posting to delivery overseas with the option of a signature on delivery depending on the location. It is offered to international business customers at a discounted rate from our standard rates.

## What is International Business Signed?

International Business Signed is a signed for service where a signature is taken when the item is delivered overseas. All items are tracked until they leave the UK. It is available to international business customers at a discounted rate from our standard rates.

## What is International Business Standard?

International Business Standard is an untracked service with a range of sorting and delivery options.

## Pricing your mail items

There are three easy steps to calculate your postage cost:

- Multiply the number of items by the price per item for each format per service (where applicable)

- Multiply the total weight (excluding the bag weight) by the price per kg for each format per service (where applicable)

- Add the above together.

**Please note:** Surcharges and remedial charges might effect your pricing. To check the charges that may apply please visit [royalmail.com/surcharges](https://royalmail.com/surcharges)
