Stamp Swap Out for over £200

Non-barcoded stamps can be used until 31 January 2023. We encourage you to use up your stamps, if possible. You can swap any unused stamps for new barcoded ones of the equivalent value.

Read before completing Sections 1 and 2

Accepted stamps for Swap Out

- Eligible stamps are the regular 1st and 2nd Class 'everyday' stamps featuring the profile of HM The Queen and **those that show any other value** which are post decimalisation (1971 onwards) including Olympic, International and Country Definitives.
- Non-barcoded Christmas themed stamps continue to be valid for postage and don't need to be sent for swap out. We are **not** barcoding Special Stamps i.e. pictorial stamps issued to commemorate anniversaries and events. These remain valid for postage and do not need to be sent in for swap out.
- See royalmail.com/barcodedstamps for examples of accepted stamps.

Presentation of stamps

- Stamps that have been used or cancelled are not eligible for swap out. This also includes any that have come 'off paper' and do not have the original gum on the reverse.
- Self-adhesive stamps must be attached to their original backing paper or booklet.
- Individual gummed stamps that are not self-adhesive should not be stuck to paper. They should be batched by the stamp value and colour in clear plastic bags of no more than 50 stamps per bag. Stamp numbers of less than 50 should be collated together in value order and placed in a clear plastic bag.
- Unfortunately, we are unable to accept stamps in albums, boxes or other organised collections.

General advice

- There is no administration fee for this exchange.
- We will swap your old stamps to the value of today's tariff and not for a cash equivalent.
- Please ensure page 2 is completed and accompanies the stock you are returning.
- All stamps submitted to the swap out scheme will be subject to fraud checks. Any stamps found to be counterfeit will not be swapped out or returned.
- Where certain stamps are no longer produced, we will replace these with different stamps to at least an equivalent value.
- We aim to process your application within seven working days, but this cannot be guaranteed.
- We will use your personal data to process your swap out only, and not for marketing purposes.
- You must send your form using the Royal Mail **Special Delivery Guaranteed™** service with the appropriate level of compensation. Postage costs will be refunded by sending you the equivalent value in barcoded stamps added to your swap.
- Please send your form using **Special Delivery Guaranteed™** to: **Royal Mail, Swap Out, Tallents House, 21 South Gyle Crescent, EDINBURGH, Scotland EH12 9PB.**
- The delivery of £2,500 or more can be accommodated by Tallents House but is by strict appointment only. To arrange an appointment, please email: TH_Bookings@royalmail.com
