1 About This Scheme

- 1.1 This Scheme is a document that sets out the terms and conditions for some of the **items** that we handle. **We** (Royal Mail Group Ltd) are allowed to set out terms and conditions within a Scheme document by the Postal Services Act 2000 (and more specifically section 89 of that Act as amended by the Postal Services Act 2011 and in particular paragraph 24 of Schedule 12 of that Act).
- 1.2 Each time we alter the wording within a Scheme it has the effect of making a new Scheme. We publish our Schemes on our [website \(www.royalmail.com\)](http://www.royalmail.com).
- 1.3 This Scheme is known as 'The Royal Mail Overseas Letter Post Scheme 25 May 2018' and is referred to in this document as 'this Scheme'. The date in the title is the date that the Scheme took (or will take) effect. This Scheme replaced an old Scheme which was called the Royal Mail Overseas Letter Post Scheme 30 January 2017 which is no longer in force. This Scheme complies with requirements as set out by the Universal Postal Union (www.upu.int).

2 What This Scheme Applies To

- 2.1 This Scheme sets out the terms and conditions for:
 - a) the services provided by us to the person, **business** or organisation asking for the service (**you**) when we accept items within the United Kingdom for postal delivery to an **address** outside the United Kingdom, the **Channel Islands** and the Isle of Man. The terms and conditions for the specific services listed below are contained within this Scheme:
 - **International Standard**
 - **International Economy**
 - **International Signed**
 - **International Tracked & Signed**
 - **International Tracked**
 - **HM Forces Mail** (with or without **Special Delivery™** or **Signed For™**)
 - **Articles for the Blind**

All product names offered under this Scheme are shown in this Scheme in red text; and

- b) **incoming items**.

3 Definitions

- 3.1 You may not be familiar with some of the words or phrases we use in this document. When they are used for the first time, they are shown in **bold print** and explained in the relevant part of this document or in Annex A.
- 3.2 As mentioned in 1.3 above, this Scheme replaced a previous Scheme so any references in other documents to the Overseas Letters Scheme that was in force before this Scheme should now be interpreted as referring to this new Scheme.

4 Our Ability To Provide Services

- 4.1 We will provide the services set out in this Scheme where the relevant terms and conditions contained in this Scheme for the service are complied with. We will provide the services in the manner that we deem to be most appropriate according to our operational requirements and an overarching need to secure the sustainability of the Universal Service.
- 4.2 We may decide to withdraw the provision of any of the services set out in this

Scheme if the terms and conditions contained within this Scheme are not abided by or in the event of misuse or if providing the service may cause us reputational damage.

- 5.15 If you post an item that contains a restricted item (and you do not comply with the relevant restrictions or requirements) or if the item is an incoming item and is discovered not to comply with the relevant restrictions or requirements, we may deal with such item in our sole and absolute discretion (without incurring any liability whatsoever to you or the addressee) including destroying or otherwise disposing of the relevant item (in whole or in part).
- 5.16 The sender, or their representative, may be required to pay an amount (to be fixed by us) to cover the costs of returning, dealing with or disposing of the item.
- 5.17 The sender is responsible for checking whether an item is restricted and, if it is, for making sure the requirements for that type of restricted item are met. We may also refuse to accept or deliver any item which is not a restricted item but which is banned by law or which in our opinion may be harmful or dangerous to our customers or employees.
- 5.18 All countries have their own rules regarding restrictions on what they will allow in the post. These rules can vary from country to country, and can sometimes apply to items which you may think are ordinary. You are responsible for checking whether an item is restricted in the country you are sending it to and for making sure it complies with any requirements in that country.
- 5.19 It is your responsibility to ensure that restricted items are sent correctly and that you meet the requirements for acceptance. If you are in any doubt as to whether an item is one of the restricted items you can seek guidance from our [website](http://www.royalmail.com) (www.royalmail.com).

Sanctions Laws

- 5.20 You must make sure that any items you wish us to handle and deliver are not prohibited under applicable sanctions laws, for example because of their contents, their intended recipient or the country to or from which they are to be sent. Information about sanctions can be found on our [website](http://www.royalmail.com/international-sanctions) at www.royalmail.com/international-sanctions (or any replacement URL). Further information on trade controls and economic sanctions can be found on the UK Government's web pages at <https://www.gov.uk/overview-of-export-control-legislation> and <https://www.gov.uk/sanctions-embargoes-and-restrictions>.
- 5.21 If your items need a licence under applicable sanctions laws it is your

responsibility to obtain it and (if we ask for it) you must provide us with acceptable evidence that you have it.

- 5.22 If we have reasonable suspicion that, because of its contents, an item does not comply with sanctions laws we may open that item or delay processing and delivery.
- 5.23 If you post an item which does not comply with sanctions laws we may deal with such item in our sole and absolute discretion (without incurring any liability whatsoever to you, your intended recipient and/or, to the extent not prohibited by applicable law, any third party), including destroying or otherwise disposing of such item in whole or in part, or returning the relevant item to you. We are entitled to charge you:
- the cost of disposal and/or destruction;
 - the standard postage price;
 - all other costs reasonably incurred by us; and/or
 - for any losses or damage we suffer or liability we incur as a result of you not complying with sanctions laws.
- 5.24 We will bear no responsibility in the event that you or your agents send an item with the wrong licence required under sanctions laws.

Ability to claim compensation

- 5.25 If you fail to comply with any of the conditions in this section 5, your ability to claim compensation for any item (in circumstances where you might ordinarily be entitled to compensation) may be lost, despite any of the other sections in this Scheme which deal with compensation.

Valuables

- 5.26 **Valuables** should only be sent using **International Signed**, **International Tracked & Signed** and **International Tracked**. Valuables sent under the **HM Forces** service shall be sent using the **Special Delivery™** service.

6 Size and Weight Limits and How To Package An Item

- 6.1 As well as the specific packaging and other requirements that relate to restricted items, there are some general rules set out below that must be followed for all items. The rules cover the weight, size, thickness and packaging of items.
- 6.2 Items sent using the **International Standard**, **International Economy**, **International Signed**, **International Tracked & Signed** and **International Tracked** services may weigh up to 2 kilograms unless the item is a letter or large letter, in which case section 6.3 applies. Items sent as **Printed Papers** may weigh up to 5 kilograms. Items sent using the **Articles for the Blind** service may weigh up to 7 kilograms.
- 6.3 The maximum size of any item with the length, width and depth combined must not exceed 900mm with the greatest dimension not exceeding 600mm. For a cylinder shaped item the length plus twice the diameter may not exceed 1040mm with the greatest dimension being no more than 900mm. To be sent as a letter the maximum weight must not exceed 100grams and size must not exceed 240 x 165mm with a maximum thickness of 5mm. To be sent as a large letter the maximum weight must not exceed 750g, and size must not

exceed 353mm x250mm with a maximum thickness of 25mm. (please note that the letter and large letter sizes quoted here mirror standard UK letter and large letter dimensions). To be sent as a postcard the maximum size must not exceed 120 x 235mm.

- 6.4 The minimum thickness for any item is 0.25mm. We may refuse to accept or to deliver an item that is less than 0.25mm thick.
- 6.5 All items must be packaged so that, in our opinion, the item will not be likely to cause damage or harm to other items, equipment or individuals (including any recipient).
- 6.6 The **cover** and the protective material of the item must be appropriate to the contents so that we can convey it to its destination undamaged without having to take precautions over and above those normally taken by us with an item of mail. Packaging guidelines are available on our [website \(www.royalmail.com\)](http://www.royalmail.com) and in booklets held by Post Office® branches.
- 6.7 Apart from items that are sent using the **Articles for the Blind** service (which is discussed in more detail in section 22) all items must be securely sealed or fastened.
- 6.8 As well as the requirement to provide sufficient protection both for the item itself and so as not to be likely to cause damage or harm to other items, equipment or individuals (as set out in sections 6.5 and 6.6), any item that contains anything breakable should be placed in a strong box filled with appropriate protective materials and must be clearly and legibly marked with the words 'FRAGILE – HANDLE WITH CARE' in capital letters above the address.
- 6.9 As well as the requirement to provide sufficient protection for the contents (as set out in sections 6.5 and 6.6) any item that has contents that may be damaged by bending must be clearly and legibly marked with the words 'DO NOT BEND' in capital letters above the address.
- 6.10 The latest packaging guidelines which apply to all items can also be found on our [website \(www.royalmail.com\)](http://www.royalmail.com).

7 How To Address An Item

- 7.1 Each item must be fully and correctly addressed. All the elements of the address (see section 7.2 for guidance) must be written clearly and legibly on the front or on a label securely attached to the front of the cover (or in another way so that the address is clearly visible in its entirety as if it had been written on the front of the cover) of the item.
- 7.2 You must ensure that addresses take the following format when added to an item. Please do not use commas or full stops and note that the LOCALITY NAME, **ZONE NUMBER** or POST OFFICE BOX NUMBER and the COUNTRY NAME should be in CAPITAL LETTERS in English. The text that makes up the address should be aligned to the left as it is in the example below. It should not be staggered or centred.

Example Name

House name or number and road name

LOCALITY NAME and ZONE NUMBER if one exists

COUNTRY

The text set out in the example above and taken as a whole is known as the address block.

- 7.3 The address block must not be obscured or made difficult to read in any way including by the manner in which the contents are enclosed in the item.
- 7.4 For items sent using the **International Standard** service, our branded Airmail sticker (available free of charge from all Post Offices®) should be placed on

the address side, in the top left hand corner. Alternatively the words "BY AIRMAIL – PAR AVION" should be written in capital letters in the same position.

- 7.5 Putting a correct address in the correct format in the correct location helps our sorting machines process the mail as quickly as possible. More information is available on our [website](http://www.royalmail.com) (www.royalmail.com).
- 7.6 We recommend that you put a full and accurate return address on your item (in a position where it can't be confused with the destination address and preferably on the back) so that we are able to return the item to you, intact, should we need to. More information regarding Return to Sender can be found in section 15.

8 How To Pay For Postage And Other Services

- 8.1 Of the services contained within this Scheme only the **Articles for the Blind** service is provided (as long as specific requirements are met) free of charge. The specific requirements for this service are set out in section 22 of this Scheme.
- 8.2 The other services that are contained in this Scheme require payment for **postage**. These services are:
- **International Standard**
 - **International Economy**
 - **International Signed**
 - **International Tracked & Signed**
 - **International Tracked**
 - **HM Forces Mail** (with or without **Special Delivery™** or **Signed For™** add-ons);

The specific requirements for **International Signed** and **International Tracked & Signed**, **International Tracked** and **HM Forces Mail** are set out below in sections 19, 20 and 21 of this Scheme.

- a. The services listed above in 8.2 can be paid for by applying **postage stamps, postage labels** (which can be generated by our on-line postage applications or by Post Office® branches) or by use of a franking machine.
- b. All services listed in 8.2 can also be purchased using a credit account.
- 8.3 Stamps can be purchased from us online from our [website](http://www.royalmail.com) (www.royalmail.com), from Post Office® branches or from a wide variety of other retailers. When postage is purchased from a Post Office® branch it often takes the form of a postage label if it is for anything but the first weight band. Similar postage labels are also available from our online postage tool and through our computer applications (e.g. **SmartStamp®**) which you may subscribe to or sign up for.
- 8.4 A franking machine allows money to be credited onto it. Postage for items is then paid for, from this credit, on an item-by-item basis. There is a wide range of franking machines that can either be leased or bought from franking manufacturers. If you use a franking machine you must abide by the terms and conditions that are contained within a separate Scheme called Royal Mail Scheme For Franking Letters And Parcels 2014 (which is published on our [website](http://www.royalmail.com) (www.royalmail.com)) as well as the terms and conditions contained in this Scheme.
- 8.5 A credit account allows you to post items without pre-payment. You are sent an invoice periodically requesting payment for the items we have conveyed during the invoice period. If you set up a credit account with us you must abide by the terms and conditions that are contained within documents called the Royal Mail General Terms and Conditions and the Royal Mail Account Terms (both of which can be found on our [website](http://www.royalmail.com)

(www.royalmail.com)) as well as the terms and conditions contained in this Scheme.

9 How To Work Out How Much Postage To Pay

- 9.1 For the services listed in this Scheme that are not free, the amount of postage that you must pay is dependent on several factors. The first is the destination; the second is how quickly you would like the item to arrive and what options you would like for tracking and obtaining a signature on delivery (the service); the third is the shape and weight of the item (the weight and format); and the fourth is how much compensation is required in the event of loss or damage (the compensation). For the details of how we price, based on all of these factors, please see our website (www.royalmail.com) as well as immediately below for information in relation to the service, weight and format and compensation factors:
- a. The service: we offer the services set out in section 8.2. Details of the services, their availability and delivery aims (by service and destination) can be found on our [website](http://www.royalmail.com) (www.royalmail.com). Not all services are available for all destinations. Further specific details about **International Signed, International Tracked & Signed, International Tracked, HM Forces Mail and Articles for the Blind** services, can be found in sections 19 - 22 below and on our [website](http://www.royalmail.com) (www.royalmail.com).
 - b. The weight and format: for pricing purposes items are classed as either letters, large letters or parcels. The requirements for an item to be classed as a letter or large letter are set out in section 6.3. All other items which exceed the weight or size limits for letters or large letters but do not exceed the maximum dimensions for an item under this Scheme (described within section 6 of this Scheme) are classed as parcels for pricing purposes.
 - c. The compensation: **International Standard** and **International Economy** services include standard compensation for loss and damage on the basis of **actual loss**, up to a maximum of the **market value** of the item or £20 (whichever is lower). **International Signed, International Tracked & Signed** and **International Tracked** include compensation for loss and damage on the basis of actual loss, up to a maximum of the market value of the item or £50 (whichever is lower) as standard and are available with enhanced compensation options. Further specific details, including compensation and exemption information, can be found in section 17 below and on our [website](http://www.royalmail.com) (www.royalmail.com).
- 9.2 To help you find the best service for your needs and budget we provide a price finder tool on our [website](http://www.royalmail.com) (www.royalmail.com). Prices and other pricing information can also be found in other locations on the same website (such as product specific pages) including in a tariff brochure with all pricing information for the services covered by this Scheme.
- 9.3 We may change the rates of postage and **service fees** from time to time. Changes to postage rates and service fees and the date on which the changed rates and fees will come into effect will be published at least one month (or whatever period of time agreed by us with our regulator, Ofcom) in advance on our [website](http://www.royalmail.com) (www.royalmail.com).

10 How To Show That An Item Has Had Postage Paid

- 10.1 You must show us that **postage** for an item has been paid for (where it applies) so that we can convey it without delay. Payment is demonstrated by

the application of a **postage mark** to the item. The manner in which payment of postage can be shown depends on the method of payment used. Section 8 above set out the most common ways of applying a postage mark (**postage stamps, postage labels, service fee labels, franking marks**, marks created by online applications such as SmartStamps®, **Printed Postage Impressions (PPIs)** etc). In addition a postage mark may be fixed, printed, impressed, embossed or otherwise shown on the envelope or cover of an item as we may specify or approve.

- 10.2 Postage marks must be applied to the top right hand corner of the envelope or cover of the item unless we specify otherwise. If the item is spherical or without corners the postage mark should be placed above and to the right of the address.
- a. A postage mark that is damaged or imperfect, has been defaced or has anything written or printed over it becomes void and cannot be used to show that postage has been paid.
 - b. You can use an adhesive postage stamp which has been perforated by means of a punch provided that the perforation holes are smaller than the holes dividing one stamp from another on a sheet of stamps.
 - c. Postage marks can be used only once and then they become void and must not be re-used to pay postage on the same or another item.
 - d. Any postage mark that carries an expiry time and/or date will become void from that time and/or date and cannot be used to show that postage has been paid after that time and/or date.
- 10.3 If you use a franking machine you must apply a franking mark to the cover of the item as set out in the Royal Mail Scheme For Franking Letters And Parcels 2014 (which is published on our [website \(www.royalmail.com\)](http://www.royalmail.com)) and according to any guidelines that we publish on our Franking help centre [website \(www.royalmail.com\)](http://www.royalmail.com).
- 10.4 If you make use of a credit account you must apply a Printed Postage Impression (PPI) in accordance with the PPI licence, the PPI design notes and any guidelines that we publish on our [website \(www.royalmail.com\)](http://www.royalmail.com).

11 Other Requirements Relating To The Address On The Cover Of An Item

- 11.1 Section 7 set out how to address an item and section 10 set out how payment can be indicated. There are some further things that must be considered with regard to the cover of the item so that we can efficiently convey the item without delay.
- 11.2 An item must not have on its cover:
- a. anything which obscures the postage mark;
 - b. anything which is likely, in our opinion, to make it difficult for us to apply a **postmark** to the cover;
 - c. anything which, in our judgement, is likely to make the postmark illegible;
 - d. any counterfeit or fake postage mark;
 - e. any postage mark which we consider may have previously been used to pay postage;
 - f. signs, words or marks, used without official permission, which could indicate that the item was sent on Her Majesty's Service or was conveyed and delivered by us; or
 - g. any signs, words, images or designs which are offensive, obscene or indecent.
- 11.3 An item must not contain correspondence or letters other than between the sender and addressee of the item (or persons living with them). This does not include archived materials.

- 11.4 An item must not be made up in any way or have anything on its cover which, in our judgement makes it difficult or embarrassing to deliver the item.
- 11.5 A postage mark must not be attached to an item using staples, sticky tape, or any other means that we do not approve.

12 How To Hand Over (or Post) An Item

- 12.1 All items to be sent using a service provided through this Scheme can be posted in the following ways:
 - a. by handing it to an authorised member of staff at a Post Office® as long as considered feasible to do so;
 - b. by Business Collection service (typically a paid for extra servicewhere we collect the mail from a business customer's premises. Business Collections services are not covered by this Scheme, but the items that we collect under such services may be covered by this Scheme); or
 - c. in any other manner which we may approve.
- 12.2 In addition, items sent under the following services:
 - (i) **International Standard**;
 - (ii) **International Economy**;
 - (iii) **HM Forces Mail** (without **Special Delivery** or **Signed For™** added or except those items that qualify as free of charge items under BFPO); and
 - (iv) **Articles for the Blind**,can also be posted in the following ways (unless the item is too large to do so):
 - a. by placing it in a post box (typically a red post box on the street);
 - b. by placing it in a **private post box** (typically a post box contained within a shop or other private premises).

An item placed in a private post box will be deemed to have been posted when collected by us and not before.

- 12.3 An item that has had postage paid by a franking machine must be posted in accordance with the Royal Mail Scheme for Franking Letters and Parcels 2017 which is published on our [website](http://www.royalmail.com) (www.royalmail.com).
- 12.4 Items sent through the **International Standard**, **International Economy**, **International Signed**, **International Tracked & Signed** and **International Tracked** services that have been paid for with a credit account must be presented to us in accordance with the guidance as outlined on our [website](http://www.royalmail.com) (www.royalmail.com) and also in accordance with any conditions set out in the PPI licence.
- 12.5 **Articles for the Blind** sent by a business must present items separate to, but in the same manner (as required by section 12.4 above) and at the same time, as any items which are posted using a credit account.
- 12.6 All items must be posted by the latest acceptance time that we determine and advertise or agree with you (as appropriate to the method of posting). Items posted after that latest acceptance time will be considered to have been posted the following working day.

13 How We Will Treat Items That Do Not Meet the Requirements Set Out In This Scheme

- 13.1 Once an item has been posted (whether as an **outgoing item** or an incoming item) we may carry out checks on that item.
- 13.2 Subject to sections 5.6 and 5.15 above (which set out how we treat items that contain prohibited items and/or restricted items where the relevant restrictions or requirements have not been complied with), if an item is found not to meet the conditions set out in this Scheme or an item is found that

indicates that insufficient (or no) postage and/or service fee has been paid for the service requested, or for incoming items the item appears to satisfy the conditions of a **re-mail item**, we may decide at our discretion to do one of the following things set out below (in sections 13.3 and 13.4) within a reasonable period of time.

13.3 For outgoing items, we may:

- a. Convey the item to the relevant overseas postal operator for delivery to the address shown by the service requested. The overseas postal operator may require the addressee to collect the item from a specified location.
- b. Convey the item to the relevant overseas postal operator for delivery to the address shown by an alternative service that we determine to be appropriate. In these situations the conditions of the service used to convey the item will apply.
- c. Treat the item as undeliverable. Details of how we may deal with undeliverable mail can be found in section 15.
- d. Return the item to you.
- e. Refuse to accept it.
- f. If none of the above courses of action are possible we may deal with or dispose of the item at our discretion.

In all cases we may not accept any liability for that item. This section also applies to items which have been found either in a Post Office® branch or on Royal Mail premises and which appear to be intended for posting.

13.4 For incoming items, other than an incoming **registered item** (which shall be dealt with in accordance with section 13.5 below), we may:

- a. Convey the item to the addressee.
- b. Return the item to the country of origin.
- c. Treat the item as undeliverable. Details of how we may deal with undeliverable mail can be found in section 15.
- d. Otherwise deal with or dispose of the item at our discretion.

13.5 An incoming registered item shall be forwarded to the addressee without any additional charge.

13.6 In each case set out in sections 13.3 and 13.4 the addressee or you may be required to pay an amount (to be fixed by us or the relevant overseas postal operator) in order to cover additional costs before the item is delivered or released for collection:

- a. In the event of underpaid or unpaid postage and/or service fees the amount due may include a surcharge in addition to the underpaid or unpaid postage to cover administrative costs.
- b. Where the amount due is not paid the item may be dealt with or disposed of at our discretion.

13.7 In each case set out in sections 5.6, 5.15, 13.3 (d) to (f) and 13.4 (b) to (d) you or your **representative** or the addressee or their representative may be required to pay an amount (to be fixed by us or the relevant overseas postal operator) to cover the costs of returning, dealing with or disposing of the item.

14 Additional Marks We May Add

14.1 In the course of conveying an item we (or someone authorised by us) may alter the look of the cover of that item. Most usually this is by the addition of a postmark which shows that a stamp has been used and prevents it from being used again. A postmark may also contain an advertising or informative image. We may apply the postmark in any manner we consider appropriate. It is important to note that we may apply any form of postage mark (an image that denotes payment), impression, image, sticker, label or other device we

consider suitable for any other postal purpose we consider appropriate.

- 14.2 We may also charge you a fee (to be fixed by us from time to time) and published on our [website \(www.royalmail.com\)](http://www.royalmail.com) for cancelling postage marks with a special postmark including one that incorporates an advertisement, at your request.

15 Delivery Including Undeliverable and Re-Posted (Return To Sender) Items

- 15.1 Subject to sections 5.6 and 5.15, for outgoing items returned to us by an overseas postal operator as:

- a. Undeliverable, we will attempt to return the item to you. We will not charge any additional postage or fee for returning an undeliverable item but you or your representative may have to pay any other fees (e.g. surcharges or customs charges) that apply. If any applicable fee is not paid, the item may be dealt with or disposed of at our discretion.
- b. Undeliverable and the item was not originally posted in the United Kingdom, the Channel Islands or the Isle of Man, we may, at our discretion:
 - Convey the item to the addressee.
 - Return the item to the country of origin or to the postal administrator that forwarded the item to us.
 - Otherwise deal with or dispose of the item at our discretion.

In each case set out in this section 15.1(b) the addressee or you or the sender may be required to pay an amount (to be fixed by us) in order to cover underpaid or unpaid postage and/or service fees plus a surcharge to cover administrative costs before the item is delivered or released for collection.

- c. Return to Sender, we will attempt to return the item to you from a delivery address if all of the following conditions are met – i.e. the item:
 - was originally posted using a service set out in this Scheme; and
 - is re-posted by the addressee or any other person for any reason; and
 - the original address is crossed out; and
 - a clear instruction to return the item to you is written on the cover; and
 - the return address is written fully, correctly and legibly on the cover; and
 - the return address is in the United Kingdom, the Channel Islands or the Isle of Man; and
 - the item is returned to us by the relevant overseas postal operator.

- 15.2 For incoming items, other than remail items (which shall be dealt with in accordance with section 13), we will attempt to deliver items that meet the conditions for the relevant service set out in this Scheme.

- 15.3 Some items require a signature at the point of delivery and some are too large to fit through a letter box. In these situations someone needs to be present at the address to take delivery of the item.

- a. If no one is available we may attempt to deliver the item to a **neighbour**. Please note that we will never attempt to deliver an item to a neighbour if it is a registered item or an **express item**.
- b. If a neighbour is available to take delivery of the item we will leave the item with that neighbour and leave a card at the address that the item was addressed to. That card will inform the addressee (or their representative) that an item is (or items are) being held by a neighbour for them and provide the address details for that neighbour and the date and the time that the item was left with the neighbour.

- c. If an addressee does not want their items to be delivered to a neighbour or does not want to take items for neighbours they can opt out of the Delivery to Neighbour service, free of charge, by registering their wish to opt out in such a way as Royal Mail may reasonably require from time to time. For more information on how to opt out please check our [website \(www.royalmail.com\)](http://www.royalmail.com).
- d. If a neighbour is not available to take delivery of the item, or the addressee has opted-out and does not want their items to be delivered to a neighbour or to take items for neighbours, we will take the item back to the delivery office or an alternative location such as a Post Office® branch. We will leave a card at the address that the item was addressed to.
- e. The card that is left at the address will inform the addressee (or their representative) that we attempted to deliver an item or items and will offer the addressee (or their representative) one or more of the following opportunities:
 - (i) to request that the item be redelivered to the same address;
 - (ii) to request that the item be redelivered to an alternative local address ("local" in this context means an address covered by the delivery office to which the item was returned). Please note that this option is not available for registered items or exprès items;
 - (iii) to collect (after the required period of time stated on the card has elapsed to allow for the item to reach that location and once identification that we deem to be suitable has been provided) the item from the delivery office or the alternative location such as a PostOffice® branch to which the item was taken back to; or
 - (iv) to request that the item be sent from the delivery office or other location (other than a Post Office® branch) to a Post Office® branch for collection. This service is called Local Collect (Social) and incurs an additional fee. When collecting the item the addressee (or their representative) must provide the card that was left at the address and identification that we deem acceptable. Further details including the current fee and identification requirements can be found on our [website \(www.royalmail.com\)](http://www.royalmail.com).

15.4 We may decide not to deliver an incoming item which we consider impracticable or unreasonable to deliver. Such an item is referred to in this Scheme as undeliverable.

15.5 Where an incoming item is undeliverable the item may at our discretion be returned to the sender or otherwise may be disposed of as we may think fit.

15.6 Redirection - for incoming items that have been redirected from an address outside of the United Kingdom the Channel Islands and Isle of Man, even if it was not originally posted in that country, to an address in the United Kingdom, we will attempt to convey the item to the addressee. In the event of underpaid or unpaid postage and/or service fees on such items the amount due may include a surcharge in addition to the underpaid or unpaid postage to cover administrative costs before the item is delivered or released for collection, in addition, the addressee may have to pay any other fees (e.g. surcharges or customs charges) that apply, before the item is delivered or released for collection. Where the amount due is not paid the item may be dealt with or disposed of at our discretion.

15.7 Forwarding – unofficial redirections – We are not under any obligation to do anything with an item that someone requests to be forwarded to another address other than the return to sender address on the cover. We consider these unpaid for, forwarding requests to be a form of unofficial redirections request. Typically in this situation the original address is crossed out and a written request ("forward to") is made on the cover to forward the item to

another address. This is normally attempted in order to try to get the item to the addressee who has moved to another address. In these situations the person moving should take out a Redirection service with us or provide pre-paid stationery. If we find an item that someone has requested be forwarded to another address then the item may be dealt with or disposed of at our discretion.

16 Complaints Handling Process

- 16.1. We aim to provide you with a reliable and consistent service at all times. If, however, you are unhappy with the service we have given you, this section will help you to get in touch with us to discuss your complaint and – if applicable – refer your complaint to an external, independent Ombudsman style service for resolution.
- 16.2. There are 3 internal stages in our complaints handling process and then the final Ombudsman style stage. Further information and contact details for each stage are available on our [website \(www.royalmail.com\)](http://www.royalmail.com).

Stage 1: Contacting our Customer Services Advisors

- 16.2.1. Our Customer Services Advisors will make every effort to investigate and resolve your complaint providing you with an appropriate response. If you are not happy with the reply you can escalate your case to the Escalated Customer Resolution Team.

Stage 2: Contacting our Escalated Customer Resolution Team

- 16.2.2. Our Escalated Customer Resolution Team is trained in dealing with escalated complaints. They will endeavour to resolve your concerns. However, if after allowing them another chance to deal with your complaint you remain dissatisfied, you can contact the Postal Review Panel.

Stage 3: The Postal Review Panel

- 16.2.3. The Postal Review Panel will take a fresh and impartial look at your case and provide a final response from us about your complaint.
- 16.2.4. If you are not satisfied after the Postal Review Panel has provided you with a final response then your case will be considered 'deadlocked'. Customer complaints in deadlock can be referred to the external, independent Ombudsman style service.

Stage 4: The Postal Redress Service – an external, independent Ombudsman style service

- 16.2.5. If you remain dissatisfied with the response you have received after contacting the Postal Review Panel and you have received a deadlock letter, you may be able to escalate your complaint to the independent Ombudsman style scheme, the Postal Redress Service (POSTRS).
- 16.2.6. POSTRS's role is to resolve disputes between regulated postal operators (such as us) and their customers. POSTRS provide a free service and we are bound by their findings.
- 16.2.7. Depending on the nature of the specific complaint, POSTRS may be

available. A list of products within the POSTRS scheme can be found on our [website](http://www.royalmail.com) (www.royalmail.com). Generally, the service is available to you if:

- We have not been able to settle your complaint within the 90 day timescales set out by Royal Mail Customer Services.
- You have been referred to the scheme through your 'deadlock' letter.
- We have not followed our own complaints procedure in handling your complaint.

16.2.8. For further information please refer to POSTRS's website www.cedr.com/postrs.

17 Compensation – What We Are Liable For

17.1 The vast majority of items arrive safely on time. In some instances items may be lost or damaged. In these situations we may refund postage and/or service fees and may award compensation. We do not pay compensation for delay. This section provides details as to what items qualify for refunds and compensation, what compensation is available and how and when claims need to be made.

17.2 We will accept liability, may refund postage and/or service fees and may pay compensation for the **loss** of, **damage** to, or **part loss** of an item posted under this Scheme, unless that item:

- a. is considered by us or by an overseas postal operator to be undeliverable (as set out in section 15 above);
- b. is one that has been successfully delivered but subsequently made the subject of a Return to Sender request (as set out in section 15 above);
- c. is considered by us or by any overseas postal operator to be subject to a forwarding or unofficial redirection request (as set out in section 15.6 and 15.7 above);
- d. has not fully meet all of the conditions set out in this Scheme (as mentioned in section 13.2);
- e. is considered by us to indicate that insufficient (or no) postage and/or service fee has been paid for the service requested (also as mentioned in section 13.2);
- f. is one which we have dealt with or disposed of at our discretion as mentioned under any section of this Scheme;
- g. is one that contained prohibited items (as referred to in section 5.3 above);
- h. is one that contains restricted items and the requirements for the acceptance of those items have not been met (as referred to in sections 5.12 and 5.13 above);
- i. is one that is being sent by post in contravention of section 85 of the Postal Services Act 2000 (as amended), which essentially means any item that may damage another item or injure anyone handling that item. Also an item that contains or shows on its cover an indecent or obscene image;
- j. is subject to circumstances where the event leading to the claim was caused by situations outside our control including exceptionally severe weather conditions, acts of terrorism and vandalism and acts of third parties with whom we have no contractual relationship;
- k. is one where the loss or damage is due to a latent or inherent defect or natural deterioration;

- l. is one that we do not believe has suffered damage or delay solely as a result of its transmission through the post. In particular where the cover does not appear to us to have suffered damage consistent with the damage caused to the contents of that item;
 - m. is one where the damage was pre-existing, that is, where the item was already damaged when it was posted; or
 - n. is one which has been re-directed to an address in the Channel Islands or the Isle of Man.
- 17.3 For clarity where an item falls into one of the categories listed in section 17.2 (a) to (n), then we will not accept liability, will not refund postage and/or service fees or pay compensation for the loss of or damage to that item.
- 17.4 In addition to section 17.3 we will only accept liability, may refund postage and/or service fees and may pay compensation where the loss or damage is due to any wrongful act done, or any neglect or default committed by a member of staff or agent of Royal Mail while performing or purporting to perform his functions as such in relation to the receipt, conveyance, delivery or other dealing with the item.
- 17.5 In addition to sections 17.3 and 17.4 we do not accept liability, will not refund postage and/or service fees or pay compensation for loss or damage to an item where the loss or damage is caused by your own act or omission in the course of either preparing to post or actually posting the item.
- 17.6 The amount of compensation that is payable depends on a number of factors including:
 - The service used,
 - The nature of compensation being sought i.e. whether for loss or damage,
 - The evidence that can be provided, and
 - The value of the item.
- 17.7 Compensation is available for items sent using the following services:
 - **International Standard** ;
 - **International Economy**
 - **International Signed**
 - **International Tracked & Signed**
 - **International Tracked**
 - **HM Forces Mail** (with and without **Special Delivery™** or **Signed For™** added);

Claims and Evidence

- 17.8 We will only consider a claim for loss or damage compensation where the **required evidence** (as defined in section 17.9) is available and provided.
- 17.9 The required evidence is made up of all of the following:
 - a. the names and addresses of you, the addressee and, if different, the claimant;
 - b. the name of the service used;
 - c. evidence of posting and evidence of the value of the postage paid plus the method of postage, e.g. stamps, franking impression, Smartstamp®. Evidence of posting may include:
 - an original Certificate of Posting/Posting Receipt (provided automatically for **International Signed, International Tracked & Signed, International Tracked** and available on request and free of charge at Post Office® branches for other items),
 - an original Smartstamp® or on-line postage certificate of posting validated at a Post Office® branch,
 - d. for damage (or part loss) claims the item with cover and packaging, showing the postage paid as well as the original Certificate of Posting if

- provided as part of the service purchased (i.e. **International Signed, International Tracked & Signed and International Tracked**; the place of posting;
- e. the date of posting;
 - f. for **International Signed, International Tracked & Signed and International Tracked** services with enhanced compensation, the product documentation provided to you when posting the item (i.e. certificate of posting or receipt);
 - g. a detailed description of the contents;
 - h. in addition, for damage (or part loss) claims, the date of delivery; and
 - i. in addition for damage (or part loss) claims, a description of the packaging and condition of the mail item itself.
- 17.10 In order to claim loss or damage compensation for the **actual loss** of the item, additional evidence of the item's value is required (see section 17.11 for examples). Please note that, when claiming for actual loss, there is a cap on the amount of compensation that can be paid. For **International Signed, International Tracked & Signed and International Tracked**, it is the lower of market value or £50, or £250 if an enhanced compensation service has been purchased. Enhanced compensation is not available for mobile telephones (including Blackberrys and PDAs) and the maximum compensation available under the enhanced compensation service for loss or damage to cash, securities or instruments to the bearer is £100. There are restrictions to sending cash and other items to some destinations. Please see our [website \(www.royalmail.com\)](http://www.royalmail.com) for further information on restrictions and prohibitions. For all other services listed in section 17.7 the maximum compensation we will pay for any item is the lower of market value or £20 (save where **Special Delivery™** or **Signed For™** is added for **HM Forces Mail** – see section 21). Where the item has no **intrinsic value**, compensation for the actual loss is not payable, however a postage refund may be considered for claims involving loss. Postage refunds are not available for any claims for damage and part loss. Details of compensation available in various circumstances are summarised in Tables 1 & 2 below.
- 17.11 Evidence of value can be:
- Original receipts;
 - Bank or credit card statements;

- item sale page and PayPal or bank/credit card statement; and
 - eBay item number.
- 17.13 Please note that all of the packaging and contents of damaged items or items subject to part loss must be retained as we may need to inspect them. If they are not retained then compensation may not be paid.

Making a Claim

- 17.14 This section sets out, for guidance, some details for making a compensation claim but not the full process. The full process for making a claim is set out on our [website \(www.royalmail.com\)](http://www.royalmail.com). We may reject claims that do not follow that full process.
- 17.15 Claims should be made by the sender of the item. If the sender and the intended recipient both make a claim for the same item, then only the sender will have a right to compensation, unless a compensation payment has already been made to the recipient, in which case the sender will have no right to compensation.
- 17.16 Please note that loss claims can only be made if the item has not been delivered (or had delivery attempted) 20 or more working days after the **due delivery date** for EU destinations and 25 working days after the due delivery date for Rest of the World destinations. Please note that resolution of a claim may take some time, whilst we deal with overseas postal operators.
- 17.17 Any loss, damage (or part loss) claims must be made as soon as possible after the incident to help us investigate. All loss and damage (or part loss) claims must be made within 6 months of the date of posting for all services covered by this Scheme. No compensation or other payment will be paid by us for loss, damage (or part loss) claims not made within 6 months of the date of posting and not made in full compliance with the requirements of this Scheme (including the full claims procedure set out on our [website \(www.royalmail.com\)](http://www.royalmail.com)).
- 17.18 All claims should be made using the correct claim form which is available to download from our [website \(www.royalmail.com\)](http://www.royalmail.com) and can be collected from Post Office® branches. By using the correct claim form we can process your claim as quickly and effectively as possible. Alternatively, claims may be submitted online via our website (www.royalmail.com).
- 17.19 The claim form needs to be completed as fully as possible: hard-copy claims form should be signed and dated by the claimant before being sent to us and all mandatory fields within the online claim form must be completed. Remember that in order to claim loss or damage compensation for actual loss of the item (if that compensation is available for the service you used) additional evidence of the item's value is required and should be submitted with the claim form (see section 17.11 for examples). Where evidence is submitted online, we reserve the right to request the originals of such documents in line with section 17.9 of this Scheme.
- 17.20 If additional evidence cannot be provided then only a postage refund can be considered.
- 17.21 We may at any time request more documentation and/or information from the claimant, sender or recipient to protect against unwarranted or duplicate claims. This includes, but is not limited to, a declaration of non-receipt (or proof of non-receipt in appropriate cases).
- 17.22 If compensation has been paid in respect of the loss of an item for a sum exceeding the real value of the contents, or if the item is subsequently found and delivered or returned, any compensation or postage refund awarded to you must be refunded to us.

18 Additional Terms and Conditions For Some Services /Items

- 18.1 The terms and conditions set out in sections 5 to 17 apply to all items. These are referred to in this Scheme as the **common terms**. Some services that we offer have additional terms and conditions that are specific to those services. The additional terms are known as the **specific terms** in this Scheme and are contained in the sections below. There is a section each for:
- **International Signed** and **International Tracked & Signed** (Section 19)
 - **International Tracked** (Section 20)
 - **HM Forces Mail** (with and without **Special Delivery™** or **Signed For™**) (Section 21)
 - **Articles for the Blind** (Section 22)
 - **Printed Papers** (Section 23)
- 18.2 When using a service listed in Section 18.1 then the specific terms must be complied with in addition to the common terms. Where the specific terms conflict with the common terms then the specific terms should be followed as they take priority over the common terms.
- 18.3 In addition to the common and specific terms contained within this Scheme other terms and conditions may exist for some services. For example in section 10 above we mentioned that customers using a franking machine must abide by the Royal Mail Scheme For Franking Letters and Parcels 2017 and according to any guidelines that we publish on our Franking help centre [website](http://www.royalmail.com) (www.royalmail.com). Also, customers who make use of a credit account must abide by the PPI licence, the PPI design notes and any guidelines that we publish on our [website](http://www.royalmail.com) (www.royalmail.com). Such terms and conditions may be contained in application forms, licences, or any other document issued or authorised for issue by us and all may be updated from time to time.

19 International Signed and International Tracked & Signed

- 19.1 For **International Signed** and **International Tracked & Signed**, the item will only be delivered to an addressee or their representative once a signature or similar proof of delivery such as ID has been gained (in some countries, a signature is not obtained but a similar proof of delivery such as ID is the alternative). **International Signed** is tracked to the point it leaves the UK and takes a signature on delivery (or a similar proof of delivery). **International Tracked & Signed** is tracked in the UK and overseas and takes a signature on delivery (or a similar proof of delivery). In each destination country, either one or the other (but not both) of these services is available. For details of destinations that offer **International Signed** or **International Tracked & Signed** please see our [website](http://www.royalmail.com) (www.royalmail.com). Please note that country details may change from time to time so you should check the website when necessary.
- 19.2 You must apply (or must ensure someone else applies) a fully completed **International Signed** or **International Tracked & Signed** label securely to the cover of the item for which the service has been purchased.
- 19.3 Upon delivery of an incoming item by **International Signed** or **International Tracked & Signed** services the addressee or their representative must sign (or otherwise provide some form of proof of delivery as we may specify). Where such a signature or proof of delivery is refused to be provided to us then the item may be dealt with or disposed of as we consider appropriate. Please note that the representative could be someone else at the delivery address or a neighbour.
- 19.4 We cannot provide you with a copy of the signature or a similar proof of delivery of the recipient of the **International Signed** or **International Tracked**

& **Signed** item. We may however seek to obtain a copy of such signature or a similar proof of delivery in the event of a claim for loss or damage.

- 19.5 For **International Tracked & Signed** online confirmation of delivery (not including a copy of the signature of the recipient or a similar proof of delivery) in the majority of cases can be viewed on our [website](http://www.royalmail.com) (www.royalmail.com) and will be available for up to 12 months after the item was posted. To access these details you will need to know the reference details on the barcoded label for the item sent.

20 International Tracked

- 20.1 **International Tracked** is a fully tracked, service that can be sent to a number of destinations. Details of destinations can be found on our [website](http://www.royalmail.com) (www.royalmail.com). Please note that country details may change from time to time so you should check the website when necessary.
- 20.2 **International Tracked** is fully tracked from despatch to delivery - further details of which can be found on our [website](http://www.royalmail.com) (www.royalmail.com).
- 20.3 **International Tracked** should not be confused with **International Signed or International Tracked & Signed** that takes a signature on delivery or a similar proof of delivery. **International Tracked** does not take a signature on delivery.
- 20.4 You must apply (or must ensure someone else applies) a fully completed **International Tracked** label securely to the cover of the item for which the service has been purchased.
- 20.5 If we find an item which has not met the conditions laid out in this Scheme for an **International Tracked** item but which either:
- has **International Tracked** written on it, or anything which suggests that the item is intended to be sent via **International Tracked** or
 - is found to contain valuables,
- then we will treat it as an **International Tracked** item.

In either case, if the item is treated as an **International Tracked** item, you or the addressee will be charged the appropriate postage for that service. If the postage is not paid the item may be dealt with or disposed of at our discretion.

- 20.6 Confirmation of delivery can be viewed on our [website](http://www.royalmail.com) (www.royalmail.com) and will be available for up to 12 months after the item was posted. To access these details you will need to know the reference details on the barcoded label for the item sent.
